Company History

1993: Founded in Fujian Quanzhou as a small workshop focusing on underwear manufacturing.

2000: Expanded and relocated to our first production plant on Nanhuan Road, adding homewear to our product line.

2011: Inaugurated the GREAT Industry Park in Quanzhou, our second production facility, allowing us to produce sportswear.

2018: Established a new industry in Jiangxi Province, expanding our product line to include woven garments, sportswear and homewear.
