SAXOVAT GROUP

## Our mission

To be a market leader in the manufacture of high-quality textile products while following to the principle of sustainable production.

## Our vision

To become one of the most innovative vertically-integrated cotton-textile clusters in Uzbekistan, offering a wide variety of high-quality textile goods - a firm that works with flexibility in order to supply customers with modern, one-of-a-kind designs and solutions.

## Our values

### Our mission

We are stronger when we work together. We gain better success by working together toward common goals and showing mutual support and respect. Within the organization and with our clients, we maintain a professional attitude.

### Quality

We are dedicated to producing work of the greatest quality.

### Customer-oriented Approach and Partnership

All of our actions revolve around our consumers and partners. We constantly aim to do more than only deliver things in order to keep our clients for years.

### Social Responsibility

We strive to achieve rational and responsible use of resources and create products that improve the quality of people's life, while caring for our company

# Saxovat-Group
